Subject: Thank you

Dear Adam,

My name is Leslie Glickman. I am a yoga teacher and I work with Mary Ann Morgan-Fried. I am the one that volunteers at Home Safe, which is a shelter for teenage girls. I wanted to personally thank you for the donation you made to the girls. They really appreciated the new shoes. I think that your company is doing great things and you should feel proud. I have been working with them for a few months and I think we are making some progress. The girls were recently moved to a new location and the transition has been difficult for them. I know that they intend to thank you themselves, but just in case it falls through the cracks, I wanted to make sure that I acknowledged your good deed myself.

With sincere thanks,

Leslie Glickman
