Teachers,

The "Shoe Squad" celebrated earlier as Mr. Borello dropped in the 500th pair of shoes into the recycling bin! We now have a new question, "Can we collect another 500 pairs of shoes?" The students are so excited on this side and know they can do it....Keep those shoes coming!!

Thank you for all your support....This project has really motivated a lot of the students on the West Side....The students saw that a goal can be reached and you can still keep reaching for more...not only was this a great recycling and math project but it taught the students with a little patience you can rise to the top!!!

Stacy
