RE: Adam Levine

I am writing on behalf of Adam Levine. Adam worked for me as a Project Manager for over four years. In that capacity he was responsible for the day-to-day operations of a number of new home communities. He regularly interacted with the buying public and public officials, as well as vendors and contractors. I am pleased to recommend Adam as he always performed his tasks with a deep sense of commitment and purpose. He understood the need to satisfy our buyers while maintaining a focus on bottom line profitability. He also brought a terrific attitude to work with him every day and was a pleasure to have in the company. The best recommendation I can give is that I would hire Adam back if I could.

Please do not hesitate to call me if you would like to discuss Adam.

Sincerely,

Fred B. Rothman
