Dear Friends:

Thank you!

Thank you for your generous contribution in the amount of \$382.00 to the YMCA's 2011 Strong Kids Campaign.

Every day the Y works to address the most pressing needs of families in our community by making sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

Your gift to the Strong Kids Campaign will enable someone, who would otherwise not have the opportunity, to experience all that the Y has to offer.

Thank you for finding it in your heart to support the Strong Kids campaign.

Sincerely,

Paul B. Smith

Dear Friends:

Thank you for your generous contribution in the amount of \$62.10 to the Annual Caring Campaign.

It is clear not only what your "Y Experience" means to you, but that you want to share it with someone who would otherwise not be able to afford it. Whether that is the sparkle seen in a child's eyes after an exciting day of camp, the thrill of one of our youths participating in the basketball program and making a basket for the first time, or the experience of a little one taking their initial swim lesson for water safety. These moments were made possible because of the generosity of donors such as yourself.

Last year alone YMCA scholarships were provided to more than 900 people in our community at a cost of more than \$500,000. Additionally, dollars raised in our Annual Caring Campaign have paid for more than 3,000 children to attend Y after school care or Y summer camp. These are our neighbors – and some of the most financially challenged adults and children we've seen in years.

Thank you for responding to the call in support of those in need and sharing your "Y Experience" – we need it more than ever and truly appreciate it.

Sincerely,

Dear Laura,

We have been a partner with Shoes For the Cure for the past two years and feel that it is a wonderful cause. The program has been extremely successful through the support of our members and staff.

The benefits we see in this program include: reducing the waste in our landfills, helping our community be educated about Green initiatives like this one, helping provide shoes to others less fortunate and knowing that the money raised is going to a great cause.

We would recommend this program to any retailer that has the space and capacity to support this program.

Sincerely,
